MISSION STATEMENT

A community-based 501(c)3 non-profit organization, Sag Harbor Cinema Arts Center is dedicated to presenting the past, present and future of the movies and to preserving and educating about films, filmmaking, and the film-going experience in its three state-of-the-art theaters and in the surrounding community. The Cinema engages its audiences and the community year-round through dialogue, discovery, and appreciation of the moving image - from blockbusters to student shorts and everything in between. Revitalized and reimagined through unprecedented community efforts to rebuild the iconic Main Street structure after a fire nearly destroyed it in 2016, Sag Harbor Cinema continues a tradition of entertainment, education, and enrichment in the heart of Sag Harbor Village.

SAG HARBOR CINEMA OFFERS GREAT ANNUAL SPONSOR OPPORTUNITIES

Align your brand with our beloved cultural organization and increase visibility of your business to our loyal and passionate community members.

For almost a century, the Sag Harbor Cinema has been an iconic symbol at the cultural and economic heart of Sag Harbor Village. Since 1936, the classic neon Art Deco theater sign has beckoned moviegoers to Main Street. Today, this historic art house continues the tradition of attracting audiences with its diverse programming and state-of-the-art theaters.

Our open collaboration with sponsors helps us to bring robust film programming and events to the East End community. We attract filmgoers, students, cinephiles, and families throughout the seasons of the year and have developed a loyal following on social media, with over **100,000 active annual users** on our website.

Surviving a devastating fire in 2016 and a global pandemic in 2020, the fully rebuilt and renovated Cinema will complete its fifth full year of uninterrupted operation this spring. We are growing year over year with an average of **60,000 people** viewing films and growing every year at 90 Main St.

As a Sponsor, your business has the opportunity of delivering your brand to our audiences through all three of our state-of-the-art theaters, year-round! We average eight film screenings a day, and each theater offers an immersive visual and audio system, aligning your brand with a positive, memorable movie-going experience. Through our Community Sponsor slide and other potential branding options, our audiences and SHC Members will recognize your support for us. Be part of the Cinema!
